

NEWS RELEASE

KIRMUSSAUDIO

Denver, Colorado, USA December 1 2018

Giving Back...

Founded in 1909, the Radio Club of America (RCA) is the oldest and most prestigious group of wireless communications professionals in the world. Its global members are dedicated to the art and science of wireless for the betterment of society. For 30 years, RCA alone has pioneered the approach to the Youth of America, in Middle School and in High School, and to get them interested in wireless, this through the medium of amateur radio. For decades the RCA Scholarship Program has assisted college-aged youth to attend universities and study engineering, broadcast, or similar wireless related subjects. In the current it also assists its Members within the wireless and broadcast sectors and publishes technical papers on subjects of interest. Its annual Technical Symposium keeps related industry leaders abreast with the latest advancements in technology.

Starting in 1935 of recognizing excellence in the wireless arts in all of its forms, the elevation of a Member to the status of Fellow of the Society is by invitation only. Kirmuss & Associates is proud to announce that its founder, Charles B. Kirmuss, W0CBK, was elevated to the status of Fellow at the RCA Annual Banquet held in New York City this past November.

Charles is a Member of the RCA Youth Activities and Scholarship Committee, is Chair this year of the Award's Committee, and has been re-elected as Director. Charles is also the stipend sponsor for the annual Dayton Hamfest Youth Forum participants and received in 2017 the RCA Service Award for his support of RCA and its Youth program. He also is a volunteer Director with Rampart Search and Rescue of Adams County Colorado.

Congratulations Charles for this prestigious honor bestowed!

.....From the entire Kirmuss Audio Global Team.
